

M01: Einführung Biodiversität

M01 - Introduction to Biodiversity	Levels		
01 Was ist Biodiversität?	First contact	Advanced learning	Expert learning
02 Importance biodiversity	First contact	Advanced learning	Expert learning
03 Evolution biodiversity	First contact	Advanced learning	Expert learning
04 Endemism and cosmopolism	First contact	Advanced learning	Expert learning
05 Hotspots of biodiversity worldwide	First contact	Advanced learning	Expert learning
06 Hotspots of biodiversity Cabo Verde	First contact	Advanced learning	Expert learning
07 What is an ecosystem?	First contact	Advanced learning	Expert learning
08 Interaction ecosystem	First contact	Advanced learning	Expert learning
09 Outfall from species	First contact	Advanced learning	Expert learning
10 Biological invasion	First contact	Advanced learning	Expert learning
11 Biodiversity and ecosystem	First contact	Advanced learning	Expert learning
12 Ecosystem function	First contact	Advanced learning	Expert learning
13 Vulcanism and biodiversity	First contact	Advanced learning	Expert learning
14 Climate and biodiversity	First contact	Advanced learning	Expert learning
15 Human being and biodiversity	First contact	Advanced learning	Expert learning
16 Islands and biodiversity	First contact	Advanced learning	Expert learning
17 Evolution of a species	First contact	Advanced learning	Expert learning
18 Migratory birds of Cabo Verde	First contact	Advanced learning	Expert learning
